**Cooking on Campus—Vegetarian Culinary Institute:(Grades 9-12)** Love cooking? Want to learn but don't know where to start? Back by popular demand, this five day journey allows you to experience the joys of creating an array of dishes from authentic Italian, Mexican, Indian and Thai Cuisines. Service hours awarded to all participants.

**Around the World:(Grades 1-5)** Get your passport ready for a trip around the world without ever leaving Tampa. For one week we will explore new cultures, languages, foods, stories, history, art, sports, music, and dance from different continents through arts, crafts and movies. Pack your bags and prepare to see our exciting world!

**Band Camp: (Grades 7-12)** It's time to get out the Guitar, Bass, Drums, Keyboard, Saxophone and Trumpet and work together as a team. We will be forming bands, learning and rehearsing songs, living and breathing music for an entire week! Friday we will be performing on stage for our adoring fans.

**Public Speaking & Debate: (Grades 5-12)** Enjoy public speaking? Or are you shy to get up in front of your peers? Lose the fear and learn to articulate with confidence! Learn to write a speech, organize ideas and speak to impress! Inspired by Tropicana Speech contest (elementary) and Model United Nation (middle school) requirements, this camp is what you have been waiting for.

**Creative Writing: (Grades 3-5 & 6-8)** Preparing for Florida Writes or SAT? Join a group of young authors like yourself and sharpen your writing skills. Learn various crafts and techniques that will make your writing come alive with specific and sensory details, vivid verbs, sentence variety & just the right word choice.

**Math Mania: (Grades 3-5 & 6-8)** Mathematics is fun!! Have a blast crunching numbers and working on fun math projects. Improve your skills and speed all while mastering new strategies and techniques for Math competitions at your school.

**Drafting and Design: (Grades 8-12)** Engineering, Architecture, Interior Design on your mind? Explore the basics of drafting and design through this unique course designed to enhance your knowledge in these fields. Awaken the artist within you and enjoy designing and building models.

**Yo Latino! (Grades 3-8)** This camp will make you want to speak Spanish! Learn the language and culture of several Spanish speaking countries. Don't forget to wear your dancing shoes! You won't want to miss a chance to Salsa and Meringue like a pro!

**Multicultural Art: (Grades 1-5)** Experience art and artists from all over the globe. Get creative this summer and have fun with colors, shapes and styles. Learn about the history of various forms of art and how to express yourself artistically. Imagine and explore!

**Journalism and Digital Photography: (Grades 6-12)** They say, "A picture is worth a thousand words." We say, "Put them together and you have made magic." Research, Write and Report! Learn the ways and means of the business of journalism. Bring your digital camera and learn to capture the best candid shots to go with your words!

**Robotics: (Grades 3-8)** Students will learn to program Lego Mindstorms Robots. Missions will be based on the 2006 FIRST LEGO League nanotechnology. Experience the next generation of ideas and creative thinking and design!

**Self Defense: (Grades 1-8)** You've always wanted to be involved, but school kept you busy!! Take advantage of this unique opportunity during the summer to learn the smarts of the art of self defense.

***So what are you waiting for? Get up, get busy and have a fabulous summer, Tampa Bay!***
